

August 7, 2023

Thank you for participating in 2023 AEE World Energy Conference and Expo! We appreciate your contribution to the valuable insights our technical sessions, keynote speakers, and panel discussions offer our attendees.

You will receive complimentary registration, including access to the technical sessions, expo hall, and lunches. Additional events will need to be purchased.

Coupon

You have also received a guest pass to the conference. This can be used by one person. The coupon code is WO23GUEST. They will use this under the registration type only. **Please have them include your name under the Comments section of the registration form.** This complimentary registration will give them access to technical sessions and the expo hall. They are also welcome to attend the Innovative Tech Breakfast (Wednesday) and the CWEEL breakfast (Thursday). Lunches and special events can be purchased at the time of registration.

If you have any questions regarding registration, please contact rachel@aeecenter.org.

Warm Regards,

Rachel Hobson
Events Coordinator
